Competitive Programming	LeetCode: ShreejitCheela, CodeChef: shreejit01, HackerRank: shreejit_jithu21

Experience

Founder's Office Intern, Workskills *Remote*
📄 Internship Experience Letter January 2023 - April 2024

- Facilitated internal-external teamwork for tasks like Online Reputation Optimization and Course Restructuring.
- Composed more than 10 Data Analysis projects, demonstrating ability to select and organize relevant project content.
- Curated educational content from over 60 two-hour lectures, streamlining learning resources for enhanced accessibility and efficiency.
- Actively reviewed 2000 projects and addressed 300 doubts in Data Analysis, enhancing communication abilities and expertise in the field.

AI and ML Engineer Intern, PerspectAI, T-HUB *On-Site*
📄 Internship Completion Letter November 2022 - March 2023

- Spearheaded around 8 Machine Learning projects, including Sentiment Analysis, Speech Emotion Recognition, Text Emotion Recognition, and more, with a focus on the entire project life-cycle from data collection to pre-production deployment.
- Mentored and guided 200 students remotely, fostering strong communication and teaching skills; facilitated their proficiency in Machine Learning tools and techniques, resulting in a 40% increase in project completion rate and exceptional student feedback.

Data Analyst Intern, Trainity *Remote*
📄 Internship Certificates August 2022 - November 2022

- Completed 8 varied Data Analysis projects, including Hiring Process Optimization, IMDB Movie Analysis, and Bank Loan Case Study, demonstrating a wide range of skills and expertise.
- Directed a complex portfolio encompassing eight Data Analytics projects, orchestrating problem identification, data collection, and in-depth analysis, amplifying project leadership acumen and advancing my data analysis proficiency by a significant 55% .

Machine Learning Intern, RineX *Remote*
📄 Internship Certificates May 2022 - July 2022

Interned as a Machine Learning Student with Cognizance, IIT Roorkee, and created over 3 AI & ML projects.

Machine Learning Intern, YBIF *Remote*
📄 Internship Certificate March 2022 - May 2022

Crafted 10+ Machine Learning Projects on diverse datasets and applications at YBI Foundation, a non-profit organization.
